1. PEW Results First Presentation- Tanja Heitman/Mike Wilson

- Results First Project is a National Initiative funded by the Pew-McArthur foundation and endorsed by the Santa Barbara County Executive Office. Probation was designated to be lead on the project.
- Mike Wilson from Results First and Tanja Heitman made a presentation regarding the local Results First project.
- Tanja advised that the Santa Barbara County inventory of programs has been completed. This process works with county agencies to apply local information into the program so the results are specific for our county.
- The Sheriff stated that he is unable to provided data analysis of the jail population without the business manager position being filled.
- Mona stated this is larger than Probation and Sheriff and needs to include other departments. The County Executive Office (CEO) is looking to take a larger role in this process by convening departments so everyone is on the same track.
- Dr. Gleghorn stated there might be a need to study drug treatment based on the offenders and the drug of choice. Looking at other treatment modalities can benefit the realigned population.
- Tanja recidivism and treatment is challenging as there are criminal, mental health, and drug addiction issues so it need to be determined what the treatment needs are to reduce recidivism.
- Those Departments interested in participating in the Quality Assurance portion of the Results First Project should e-mail Tanja.

2. Consider the Adoption of the 2016 CCP/ECCCP Meeting Dates – Guadalupe Rabago

- The CCP/ECCCP generally schedules five (5) meetings per year which occur the first Friday during the months of February, April, August, October, and December. Due to the annual Fiesta celebration in Santa Barbara County it is recommended that the August meeting occur on the second Friday in that month.
- A motion was made by Dr. Gleghorn, seconded by Bill Brown and approved by those in attendance to adopt the 2016 CCP meeting dates of February 5th, April 1st, August 12th, October 7th, and December 2nd.

- A motion was made by Dr. Gleghorn, seconded by Rai Montes de Oca and approved by those present to adopt the 2016 ECCCP meeting dates of February 5th, April 1st, August 12th, October 7th, and December 2nd.

3. Public Safety Realignment FY 2014-15 Close Out – Damon Fletcher

- A handout was provided and reviewed with the group for the FY 2014-15 close out.
- The fund balance as of the beginning of this fiscal year is \$4.2 million.
- Damon advised that FY 2014-15 was the first year that the ongoing allocation was fully utilized.

4. FY 2015-16 Public Safety Realignment Spending Plan Modification – Damon Fletcher

- The ongoing allocation for FY 2015-16 was significantly higher than the amount that was indicated in the May revise.
- As such it will be necessary to adjust the ongoing allocation and the one-time funding in the current budget and move additional funding to reserves. However, the agenda had an error, as such the item cannot be voted on and will be rolled over to the December meeting.
- Dr. Gleghorn stated the Alcohol, Drug and Mental Health Services (ADMHS) portion of realignment funding should be reexamined to ensure that they have adequate staffing to assist clients with insurance eligibility, as that could provide coverage for mental health services and medication freeing up realignment funding. This item will be further discussed by the CCP workgroup to determine how to best leverage funding. Daniel Nielson advised that the Department of Social Services (DSS) has staff going to the jail and working directly with clients to determine if they are eligible for insurance through the Affordable Care Act (ACA), however clients often cannot complete the process in custody as it requires documentation. DSS, ADMHS, and Probation processes will be reviewed to determine the best way to proceed.

5. Re-Entry Steering Committee (RSC) – Tanja Heitman

- A RSC memo was reviewed with the group.
- The Sheriff advised that the Northern County Branch Jail Programming Workgroup has been on a break but will come back together to make recommendations.
- There will also be consultants reviewing the jail program.

6. Adoption of Conflict of Interest Code – Jerry Czuleger

- The recommendation by County Counsel is to add the CCP to the County's' conflict of interest code. This would require that members and delegates complete the Form 700 annually.
- A motion was made by Ray McDonald, seconded by Dr. Gleghorn and approved by those present to direct staff to request the Board of Supervisors to add the CCP to the County's Single Comprehensive Conflict of Interest Code.
