IMPORTANT NOTICE REGARDING PUBLIC PARTICIPATION

Based on guidance from the California Department of Public Health and the California Governor's Stay at Home Executive Order N-33-20 issued on March 19, 2020 to protect the health and well-being of all Californian’s and to establish consistency across the state in order to slow the spread of COVID-19, the Community Correction Partnership (CCP) meeting will not provide in-person participation. We have established alternative methods of participation in the CCP meetings, pursuant to the California Governor's Executive Order N-29-20, which states:
- Providing an opportunity to “observe and address” telephonically or otherwise electronically, alone, meets the requirement; and
- Removing the former requirement from Executive Order N-25-20 of having “at least one publicly accessible” location from which the public may observe and offer comment. Executive Order N-29-20 now states expressly, “Such a body need not make available any physical location from which members of the public may observe the meeting and offer public comment.”

The following alternative methods of participation are available to the public. If you wish to make a general public comment or to comment on a specific agenda item, the following methods are available:
- Distribution to the Community Corrections Partnership - Submit your comment via email prior to 5 p.m. on the Thursday prior to the CCP meeting. Please submit your comment to medavis@co.santa-barbara.ca.us your comment will be placed into the record and distributed appropriately.
